# LOST AND PROFOUND

The preview of Found Objects: Lost Planet — a photography show by Sanjay Bhattacharya and Pankaj Aggarwal — turned out to be a grand arty party. Presented by Religare Arts Initiative and curated by Aman Mathi, the exhibition was inaugurated by Union HRD Minister Kapil Sibal and ace photog Raghu Rai, Tuesday evening. The Connaught Place was also attended by other A-listers, including animal rights activist Maneka Gandhi, curator Kalyani Chawla, socialist Feroze Gujral, artist Satish Gujral, cigar czar Chetan Seth and actor Parash Mehta among others.
